*Protecting Your Ownership Experience*

## Why take chances with your investment?

Congratulations on the purchase of your new Recreational Vehicle! Now that you are preparing for your new adventures, it is time to take action and protect your new vehicle from the unexpected. Express RV GAP will provide you with the protection needed if your vehicle is totaled as a result of a theft or collision.

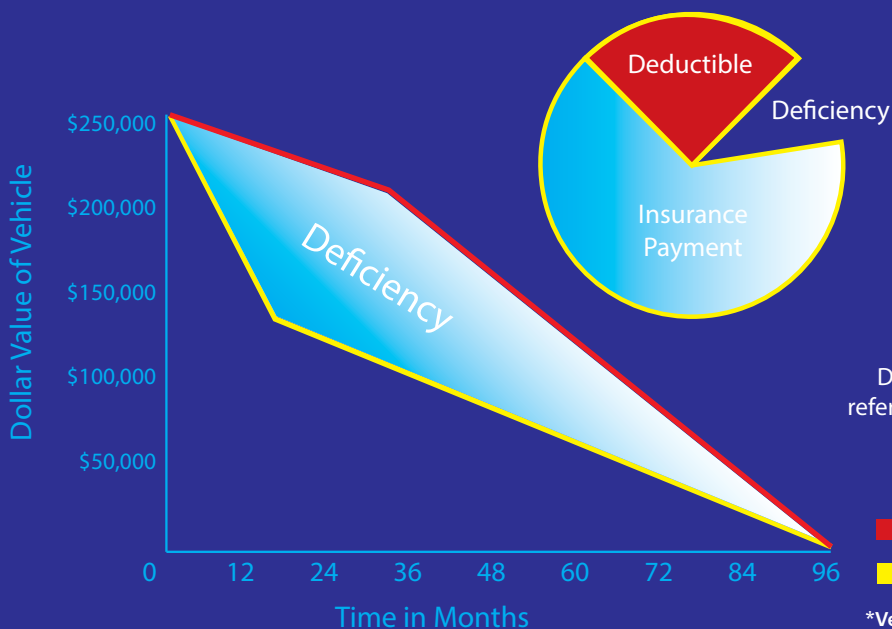

In the event that your recreational vehicle is declared a total loss as a result of an accident or theft, your insurance company pays the actual cash market value of the vehicle at the time of loss, not what you still owe!

You will be responsible for payment of the difference between your insurance company's settlement and the balance of your loan/lease per the terms of the contract. This deficiency, added to the amount of your deductible and other expenses, can easily be thousands of dollars, dollars that come out of your pocket!
